## Cocktail lounge by Bobcaygeon

Bobcaygeon—(PNS)—Bobcaygeon is proposing to hold a vote to determine whether or not the people of that village would like to have a cocktail lounge.

Decision to request a vote on this question was reached at a meeting of Bobcaygeon village council. It was reached without the usual formality of having first received a peti-

## THE LITTLE WOMAN

## Dunsford

News for week ending April 21.  
Mr. and Mrs. Ross Mawer and children, Douglas, Janice and David of Willowdale spent the weekend with her parents Mr. and Mrs. Wm. Frise.

Mr. and Mrs. Joe Burns and family, of Lindsay, spent Sunday with her parents, Mr. and Mrs. Raymond Kimble. Mr. and Mrs. Herman Parliament of Aliston, were callers also at the Kimble home.

Sgt. and Mrs. John Clemett and daughters Rosalind and Susan, of Tacoma, Washington, U.S.A., visited their aunt and uncle, Mr. and Mrs. Joe Smith.

Mr. and Mrs. Bert Moore Sharon and Paul of Oakwood, were Saturday night dinner guests of Mr. and Mrs. Walter Brien.

Mr. and Mrs. Arthur Thurston were business visitors to Peterboro this past week.

Mr. and Mrs. Clarence Watson and Betty of Nanawau were visitors with Mrs. James A. Thurston and family, Sunday.

Members of the local skating club who demonstrated their ability in solo efforts were Norma Josephson, Diane Thill, Judy Wilson and Mary Wilson. Ellen Hardy and Elizabeth Wilson favored with a duet number entitled "Midnight Blue".

Guest artists from the Peterboro Skating Club were Mr. Edward Kiraly, the club's instructor and professional, along with Mary Lou Sparrow, Bruce Jackson, Jim Hughes, Donna Beth Hoyck and Heather Maybee.

The show was under the direction of Miss Mary Wilson, the club's instructor, who is to be congratulated on her fine efforts and her interest in the efforts of her skaters.

Dr. Mack Johnson was master of ceremonies for the evening. A draw was made for an electric blanket, the lucky winner being Mr. Gavin Brain.

## Dunsford Couple Celebrate 50th Wedding Anniversary

Mr. and Mrs. Joseph Smith of Millersmith, the former Miss M. Ayers' quietly celebrated their fiftieth wedding anniversary on Wednesday, March 30th.

During the day they received visitors, many cards, congratulations, telephone calls and gifts.

Mr. Smith's grandfather, Mr. Wm. Smith, took possession of his homestead of 100 acres in 1837, later his son John lived there, followed by the third generation and present owner, Joseph. The couple were married at Mrs. Smith's home in Fensholt Township near Song Harbour.

The couple recall that they spent in the sunny south.

Mr. Ivan Munro of Toronto, spent the weekend with Mr. and Mrs. Percy Robertson, also Mr. and Mrs. Kenneth of Peterboro, were Sunday guests with them.

Mr. and Mrs. Harold Gordon of Cambridge, visited Sunday and is now on his way along with his family, to Puerto Rico, where he expects to find

his 20th anniversary of service. Mr. Smith still keeps his livestock, consisting of cattle and sheep and enjoys looking after them. Mr. and Mrs. Smith and family have been life long members of the United Church which is situated next to their farm and where their daughter, Florence, once played the organ.

Mrs. Smith is still the very capable mistress of her home.

## Intensive Practise Pays Off For Cannington Skaters

Cannington (PNS) Last week saw the fulfillment of many weeks of intensive practise by members of the Cannington Figure Skating Club, when they presented their annual ice show, Ice Carnival of 1960.

The junior members of the club opened the program with a number entitled "Precision". The young skaters taking part were Janice McLeish, Bonnie Woodman, Linda Moore, Carol Kelly, Charles McIntyre, Barbara McPhail, Cheryl Woodman, Diane Reilly, Carol Newman and Sheila McKee.

"Musical Blades" was the skating routine performed by the intermediate class, which included Mary McPhail, Susan Liffice, Donna Williams, Joe

McLeish, Mary Dunnett, Linda Ayers, Jean Hewlett, Bonnie Williams, Merle Arseny and Carol Wilson.

Members of the local skating club who demonstrated their ability in solo efforts were Norma Josephson, Diane Thill, Judy Wilson and Mary Wilson. Ellen Hardy and Elizabeth Wilson favored with a duet number entitled "Midnight Blue".

### Officers Elected For Ensuing Year

Little Britain (LBN) - The March meeting of the W. M. S. Fellowship Baptist Church, Little Britain, was held at the home of Mrs. G. Forbes. The meeting was in charge of Mrs. Frank Wakford. The opening hymn, was sung followed by prayer by Mrs. R. Tingstad. The scripture was read by Mrs. M. Archer and Mrs. P. Cornish read a short poem. Mrs. W. Bloye, R. Hall and Mrs. G. Forbes led in a season of prayer, with the missionaries particularly in mind.

Mrs. P. Wakford gave a short, but very interesting message on the new vision.

A hymn was sung to close this portion of the meeting. Mrs. M. Archer took charge of the business. The minutes of the last meeting were read and the treasurer's report was given. The roll call was answered by a favorite hymn.

The election of officers was held.

Pres. Mrs. M. Archer vice-pres. Mrs. P. Davey; sec. Mrs. R. Tingstad; treas. Mrs. G. Downing; stick-com. Mrs. A. Sornberger.

The meeting came to an end

SALARY INCREASES ANNOUNCED

Salary increases for some 45-thousand, 500 Federal civil servants were announced officially today in Ottawa by the Civil Service Commission. The increases range from 90-dollars a year for clerical assistants to 840-dollars at the highest clerical levels. Among those affected were 27-thousand clerks, 13-thousand stenographers, 57-thousand typists and 17-thousand office equipment operators.

**PREMIER SHAW LEAVES UNITED KINGDOM TOUR**  
Prince Edward Island Premier Walter Sellar has interrupted his United Kingdom tour with two other Maritime Premiers to fly home to investigate a "situation" which has arisen in the cabinet. Sellar was in London by plane last night and would give no further explanation for his sudden departure. Premier Stanfield of Nova Scotia visited the Chelms Hospital in London today, while Premier Joseph Smallwood of Newfoundland held business talks in connection with new power and road developments in Labrador.

The crew of the westbound freight involved in a head-on train wreck which took three lives in Pomquet, Nova Scotia, February 18th, has been dismissed. The spokesman for the Canadian National Railways in Moncton announced the five dismissals last night. The reason given was that responsibility for the accident was involved.

**THE WEST NAR AGREEMENT**

The West appeared near agreement today on a compromise plan to divide the Pacific Islands territorial seas. The agreement would bridge the gap between the Canadian and American plans which differ strongly on the right to fish in an outer six-mile sea beyond the proposed six mile territorial limits.

**DECAULIE TALKS POLITICS WITH MACMILLAN**

French President Charles de Gaulle was in London for an hour with Prime Minister Harold Macmillan today before setting out on a triumphal tour of London's flag-bedecked streets. De Gaulle and Macmillan met at Buckingham Palace, where the General and his wife are staying. Foreign Secretaries Selwyn Lloyd and Maurice Cowe de Merville also were present.

**SOME NEGROES GO TO THEIR TRIBAL HOMES**  
Negroes streamed out of native compounds near Durban and Capetown today and some headed for their tribal homes to avoid new laws by South African police. White authorities have insisted the resistance from default blacks is melting. They expect little or no trouble today because the National holiday—the 28th anniversary of white settlement in the Transvaal.

**SOUTH AFRICA'S SEEK INFORMATION**

More than 650 South Africans sought information in the last week on how they might emigrate to Canada and Australia. The figure is more than twice the normal rate. Officials at the office of the High Commissioner of the two countries declined to comment on the suddenly high interest in possible emigration. It was felt they wished to avoid embarrassing the South African Government.

**KENNEDY SCORED AN EASY VICTORY**

Senator John Kennedy has scored an easy victory in the Wisconsin Presidential Primary. With returns nearly complete, Democratic Kennedy is running ahead of Senator Hubert Humphrey by nearly 100-thousand votes. With only 77 of the State's precincts yet reported, the latest tally reads: Kennedy—460,328, Humphrey—340,460 and U-S Vice President Nixon—100,000. Opposed in the Republican Primary—332,406. Much of the primary vote was evenly split between the two candidates in Wisconsin's 11 most heavily Catholic counties. Kennedy—a Catholic Democrat—swept over both Humphrey and Nixon whether the county was Republican or Democrat... urban or rural. And Kennedy's victory in the state's seventh Congressional district, 33 per cent of the state is looked on as indicating a measure of rural strength.

## This is an old, old story but many people hereabouts have never heard it before

This is an old, old story—one which has been told many, many times before, but there are a lot of people living today who never heard it before.

It all began years ago, in New York City when a group of people got the idea that they would like to bring top-flight entertainment to people living outside the big live theatre centres.

This group of people were known as Columbia Artists Management Incorporated, but in order to get their idea across they decided a change of name would be a good thing—a change to a name which would point up their aim.

The name they chose was Community Concerts. This organization has no association with the same name which has been seen in Hollywood and district for the past nine years. It has been 20 years in Canada and served most major centres. As a result of the co-operation of thousands of people across Canada have been able to see and hear internationally known artists which they otherwise might not have done.

Right now, for example, plans have been completed to bring the world-famous Dutch Chorus to Lindsay and one of the Community Concerts Association's 1960-61 season.

"Speak evil of no man" (Titus 3:2) It is good policy not to speak evil of any man, but to do so, cause harm, Chorus is a tenth century or injury to another.

## Your Child's Safety

## YOUR CHILD'S SAFETY

"Plastic Film and Your Child's Safety" is the theme of the folder being given by Mrs. A. MacCorduroy, shown with her son Wesley at the Salvation Army's Grace Hospital, by Nurse Sherry Sargent, hospital throughout the province have been given more support to the Ontario Safety League by distributing their pamphlet to every mother of a new born baby.

## The Human Mind and Body

By Peter J. Macneil, M.D., F.A.C.P.

## Wear Effect On Emotions

## Longer Experienced Emotionally

"Is it really true?" asks Mr. R., Washington, D.C., "that we're actually affected by our emotions? I'm a pretty even-tempered person myself. I feel as 'chumpy' on rainy or humid days as I do on the best day of the year."

"Yet, I have some friends who tell me that rain depresses them. One gets so bad he almost cries. I feel them that's true."

ANSWER: Nothing of the sort. Poor weather acts on some as blue mood music. It's difficult to reason with emotions. I recommend that you read a book on the subject by Dr. William F. Floyd, "The Patient and the Weather," I think that will convince you.

But we're known for our connection for a long time. For example, let me quote from Dr. O. Dexter who wrote in 1910:

"A writer in one of the British magazines some years ago says: 'There are many persons who are simply victims of the weather. Atmospheric influences play upon them as the wind plays upon the strings of an aeolian harp, with the difference that the latter never latters discord in reply.'"

"A leaden sky weighs upon them with a crushing weight, and suggests all manner of unpleasant anticipation. Then the gloomy side of life comes out."

"The better savings of people are remembered. The old groundwork of forgotten nature is remembered, and the questions arise regarding the future. One gets tired of life, and one's indefinite dread is the general mental influence."

How about that Mr. R.? Will you now have more forbearance? At such times in their lives a pat on the back is more welcome than disbelief.

To quote Dexter again: "It is safe to say that high conditions of temperature and humidity, cloudy and rainy days, and generally poor weather, are more productive of human depression and emotional states, while moderate and clear temperatures, good weather, and clear, dry days are usually positive of their effects."

## WA Makes Plans

## For Anniversary

Zion-Mariposa (PNS)—The monthly meeting of the W.A. was held at the home of Mrs. Gordon Maxwell with Mrs. Norman Osborne in charge of the devotional.

The meeting was opened with a hymn followed by the Lord's Prayer repeated in unison and a Bible reading by Mrs. Norman Osborne. Topic "The Spirit of Man in the Control of the Lord" was given by Mrs. Rogers. The theme hymn and these prayer closed the devotional.

The president, Mrs. Gordon Maxwell then took over for the National Anthem. Mrs. Rogers gave the secretary's report and Mrs. Harold Hall Maxwell, Mrs. F. Stokes and Mrs. West Stokes, be a committee for music for Sunday services.

Mrs. Norman Osborne gave a talk on their recent trip to Florida and also had many pictures and views of their trip. The meeting closed with the Miral benediction.

## Bride and Groom Feted

A large crowd gathered at Port Mowbray School on Friday night and tendered Mrs. and Ted Fanning (nee Gwen Stokes) with a musical number, shower in honor of their recent marriage.

The evening was spent in dancing to music supplied by the Gilson orchestra, with Mrs. Stokes calling the square dances. Around eleven o'clock Ted and Gwen were escorted to the front by the bride and the young girls brought in four large baskets of gifts.

## Roaming dogs in order for dogs in Lindsay

Friday, April 15, is the day when the town bylaws stating dogs shall be tied and chained, and at large comes into effect.

Police Chief John Hunter says a dog catcher and a bylaw enforcement officer have been assigned to enforce the new dog laws.

Each owner will be asked to tag his dog with a bylaw enforcement officer to co-operate with his department and keep their animals out during the night months.

It contains simple rules to guard against misuse of ultra-thin plastic, which has caused death by asphyxiation to over 20 infants in Canada during 1958. One of the most common causes of the material has been of substituting the air-tight plastic for a proper crib mattress cover. A baby, pressing its face against the clinging plastic film, can asphyxiate in less than one minute.

## Final Concert Of Season

The final community concert of the season was given Monday, March 28 before a capacity audience in the Academy Theatre by the All Stars Boys Choir. Under the direction of Mr. Donald Bryant, 28 boys from all parts of the United States, ranging in age from 10 to 14, sang throughout the evening with the enchanting purity of tone, precision of intonation and thorough discipline which have made this choir famous.

Three contrasting examples of the surprisingly beautiful and intricate choral polyphony of the 18th century opened the programme and were supplemented by the lively two-part chorus, "We Haste With Fettering Footsteps" from Bach's Cantata No. 20.

In response to the audience delighted appreciation. The choir's amazing accuracy in both relative and absolute pitch, whether accompanied or a capella, was well exemplified by the deceptive ease with which they sang excerpts from the very difficult "Ceremony of Carols" (Benjamin Britten) which formed the second group.

These were followed by the choir's versatile concert accompanist, Mr. Bryant, who also an accomplished soloist.

The excellence of individual solo voices among the boys, especially the soprano, was particularly apparent, as was their dramatic ablety in "The Apothecary" (Haydn), a delightfully comic one-act opera, especially adapted for the Boychoir. It is hoped that the choir will be the leading roles can be taken by different boys on various occasions.

The final portion of the concert consisted of American music; three well-known songs, "The Star-Spangled Banner," "Summer-time" and "I Got Plenty of Sunshine."

In response to overwhelming applause the choir sang several encores, among them "The Star-Spangled Banner," the amusingly enacted "The Old Woman" and the beautiful "Joshua Fit de Battle."

Throughout the performance the boys costumed first in caucuses and surplises, then in 18th century garb for the encore, and finally in green tulle suits, presented a most complete rapport with their music, all contributed to the very happy atmosphere for a delightful concert.

At the end of the program, Mr. Bryant heard several fine boy sopranos in an informal session on stage. It may be noted that it is by means of such auditions that many of the present students at the Boychoir School and summer camp have been chosen.

Be not overcome of evil, but overcome evil with good. (Rom. 12:21) When evil is knocking at your door, it is easier to say, "No, thank you, and leave the door open."

Mr. and Mrs. MacMoxey spent several days at the home of her sister and husband, Mr. and Mrs. Clifford Benson of Woodville due to the stormy conditions and road while attending the funeral of the late Mr. MacMillan of Grass Hill.

Mr. Jack Carson (formerly of Glenora) visited Saskatoon visiting his sister, Mrs. Tom Thornbury at Woodville, also called on a number of friends in the Glenora vicinity recently.

Mrs. Gerald Johnson, Hugh and Anne of Powles Corner of lovely gifts. After opening them and reading the letters which had been placed on a table, Ted and Gwen thanked one and all for the gifts and invited all to visit them at their new home.

After lunch dancing was resumed.

## Women's Missionary Society Installs New Executive

The annual meeting of the Bay of Quinte Conference Branch of the WMS of the United Church was held recently at Brockville, Mrs. G. Avery, president of Lindsay Presbytery, conducted one devotional period. Another fine period of worship was conducted by Coubourg Presbytery.

Miss Doris Edwards, of Lindsay, gave Christian Stewardship secretary of Branch, portrayed a picture of life along the shores of Galilee. Miss Edwards, continuing, stated: "Have we individually the spiritual power needed to make us true stewards of the manifold Grace of God?"

Mrs. C. Hudson, Blackwater secretary of Bands stated that the purpose of Blackwater Society is to help boys and girls grow in their understanding of God. Peace education as well as Temperance is stressed, for it will only be a few years until these children will take place of influence and power in their communities.

The secretary of this Department, Mrs. W. H. Ireland expressed the desire that greater use be made of articles from these periodicals.

Miss Bessie French, of All Peoples' Mission in Hamilton expressed concern for re-thinking of the whole Mission of the Christian Church. Many Mission Churches require assistance from more fortunate churches—but only assistance given in a Christlike way, is truly helpful. Often it is not financial aid that is as important as a friendly interest in the welfare of the less fortunate.

Dr. Ruth Taylor, Overseas Mission Executive Secretary, addressed the conference on "The Responsibility to the Work Overseas." Reference was made to the Junk Bay Medical Centre in Hong Kong. She told of the tens of thousands of refugees since 1949. Dr. Taylor conducted the installation of officers. The president is Mrs. R. H. Soper of Smith Falls. Others on the executive, from Lindsay Presbytery areas follows: Christian Stewardship Secy., Miss Doris Edwards, Lindsay; Mission Band Secy., Mrs. S. Hudson, Blackwater; Press Secy., Mrs. E. Free, Sunderland.

Those who attended this conference branch meeting report an excellent attendance at all sessions, and a most rewarding spiritual experience.

Mrs. Milton Wright returned to her home here last Sunday.

Mr. and Mrs. Frank White, Trenton, were Sunday guests with Mr. and Mrs. Harry Reyle.

Robert Foster spent the weekend with his parents, Mr. and Mrs. Burton Foster, in Havelock.

The meeting was opened. The roll call was responded to. The secretary Mrs. E. Chynoweth read the minutes of the last meeting. This was followed by a very gratifying treasurer's report. Mrs. J. Clark son reported for the cheer committee and the usual correspondence was dealt with.

A donation was received from Mrs. F. Stokes for the use of the dishes for her daughter's reception. At this time Mrs. E. Moles and Mrs. J. Rodgers were appointed as the nominating committee and the annual election of officers will be held as usual in April.

Mr. P. Proulx was also appointed as a delegate to attend the Public Relations Conference which will be held at the Ontario Agricultural College in June.

It was decided by the members to serve at the banquet for the Local Carvers in April and Mrs. E. Linton requested that all taking the Lamp Shade Course meet next Monday and Tuesday at the rink. Birthday greetings were then sung for March Birthdays.

Mrs. Clark had charge of the program and called on Mrs. A. Avery who sang two Irish songs.

Speakers Mrs. Bainsley and Mrs. Cragg who were present then gave a talk on cancer and also showed a film on the same. At the conclusion of the program twenty five dollars was donated to the Cancer Society. The meeting then concluded.

Refreshments and hush were served and a social hour was enjoyed by all.

## OBITUARY

### George Blythe

George Henry Blythe passed away in the Ottawa General Hospital after a short illness. He was in his 57th year.

Born in Davenport, England, he was the son of the late John Blythe and Bease Greenwood. He came to Canada at the age of 18 and was employed by Fatons of Toronto until he joined the air force. He was attached to the Air Force No. 1 Equipment Depot, Toronto.

After his discharge from the air force he was employed with the Massey Harris Co. Eleven years ago he and his brother-in-law, Mr. Miller, established a grocery business at Caesarea. During the last three years he has had charge of the Red and White store in Blackstock and has been postmaster at Caesarea. In 1945 he married Sophie Miller who with a daughter Carol Dianne, survive. He was predeceased by one brother in 1959. He was an Elder in Caesarea United Church.

The funeral which was large ly attended, was from the Mc Dermitt and Panabaker Funeral Parlour, Port Perry, and Rev. P. Bownell conducted the service. There were many floral tokens.

Interment in Prospect Cemetery, Toronto.

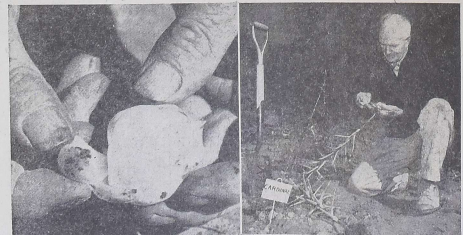

Pallbearers were M. Fisher, H. Haran, Donald Pargater, G. Gettins, A. Bach and R. Haines.

## The Lily has conquered the North

Peering over a bed of unnamed new lilies, Dr. Frank Skinner, of Dringmore, Ont., is hardly at 77 as the plants he has developed in becoming a leading authority on the subject of raising tough plants capable of standing the hard frosts of Canada's northern prairie. A farmer and horticulturist all his life, the Scotland-born Canadian scientist earned world-wide recognition in 1927 when he crossed Korean and Chinese plants to create the Marvell lily. It earned him the highest award given hybrid plant growers in the world.

Carefully inspecting a bulb, which in turn will produce a new bush within two months, Dr. Skinner admits that, in horticulture, time prevents a man from doing all he wants in his lifetime.

## A Passion Play for Mount Royal

Each summer a group of young Montreal actors—"Les Jongleurs de la Montagne"—perform a passion play on the slopes of Mount Royal, near St. Joseph Oratory. Founded in 1919 by Father Emile Legault, Les Jongleurs were patterned after "Les Compagnons de Notre Dame" a French company founded by playwright Henri Ghéon. Like their French counterpart "Les Jongleurs" devoted their lives to Christian theatre and played four regular seasons in the pilgrims' Oratory. Although they do not constitute a permanent company any more, they conceive each year "The Way of the Cross." Religious plays and pageantry date back to the Middle Ages when they enjoyed great popularity all over Europe. The revival of this form of theatre is a great success in Montreal because of these young actors who, often in the face of adversity, refused to give up.

A narrator and four chorists, who double as actors, form the cast for this play written by Henri Ghéon, with inspiration from the Bible, the actors in a stylized language, bring a modern touch to "the greatest story ever told."

### Sparks of Wisdom

REPUTATION  
There are two modes of establishing one's reputation: to be praised by honest men, and to be abused by rogues. It is best, however, to secure the former, because it will be invariably accompanied by the latter.

### Editorial

WE WOULD BE REMIS . . .  
We would be remiss if we didn't compliment Mrs. S. W. (Laurie) Braumton and Mrs. Lewis Gordon for their long and valuable service to the Lindsay Board of Water Commissioners.  
Mrs. Braumton has completed 25 years service with the corporation during which time she has served as secretary to the board and done an efficient job of handling commission affairs. Our experience with Mrs. Braumton has been pleasant at all times and we have found her always ready to co-operate in making newsworthy information available. We hope she has no thought of resting on her laurels and a push and retiring from her position.  
Mrs. Lewis Gordon, vigorously 80-year-old member of the commission, has frequently shown that age is no barrier to service. All the years have been good to Mrs. Gordon as it makes him more informed on commission business and it is a day when we need more people like her to be subscribing to the foolish notion that when a person accumulates a few years experience they should be pushed into retirement.  
Perhaps the phrase "life begins at 40" should be rewritten to read: "life begins with experience".

### Viewpoint

"DON'T PUT FASTER CHICKS ON YOUR GIFT LIST . . ."  
"Don't put Easter chicks on your gift list!" warns the Ontario SPCA. "Easter chicks are soft and fluffy and very fragile. To buy one to give to a child is simply to sign its death warrant."  
For some years, the Ontario SPCA has endeavored to discourage the frivolous and ill-advised practice of purchasing baby chicks, ducklings and other fowl, or rabbits, whether they are colored or not for Easter gifts. Experience has shown repeatedly that baby chicks sold in the city for playthings or for decorative purposes seldom survive the mishandling and unsuitable conditions to which they are subjected. The baby chick industry is a big one. The majority of poultry raisers are dependent upon it for their source of supply. When purchased by legitimate dealers and placed in proper brooders, these chicks grow into maturity with small loss and become an important factor in the poultry and egg market. Used for proper care, food and handling, it is almost inevitable that they will die within a short time.

### Turning Back The Calendar

APRIL 13, 1910  
Sixty years ago on this day it was learned that Professor C. M. Green of Harvard Medical School in Boston had denounced or excommunicated a group of women students who were protesting. He had declared it as one of the wickedest features of modern civilization. He said he had known pitiful results from it.

APRIL 13th, 1935  
On this day 25 years ago the Carew Lumber Co's steamer "Pine N" was being prepared to go on its journey down the Scuzgo to Buckhorn Lake where it will locate the winter's cut of the camps and tow it back to Lindsay. The "Pine N" had been preparing the haul and it just remained for the ice to leave the river and lake.

# THE LITTLE WOMAN

"Things have gotten so bad she's demanding payola for cooking my breakfast"

## Other Duties Force Resident to Resign

Little Britain—(PNS)—The regular monthly meeting of the WMS of United Church was held in the Sunday School rooms with Mrs. Gordon Avery presiding and opening the meeting with a talk on the different types of "Love" as applied to our Christian life. Prayer followed. Mrs. Avery read the minutes of the last meeting and in the absence of Mrs. S. Chidley, also gave the treasurer's report. The corresponding secretary Mrs. P. Proulx, read several notes she had received. Mrs. E. Hill gave a report on the meeting of the Community Friendship Committee. Mrs. George Avery reported a most active year for the quilters as 11 quilts have been completed. The supply convener, Mrs. W. Chidley, asked members to contribute new and good used articles of clothing etc. for the sale at the annual bazaar. The quilters are still in dire need.

The spring rally will be held at Greenbank in April, with Miss Cook a Missionary from Japan, as guest speaker. Mrs. Avery was appointed the Courtesy Committee convener.

The resignation of Mrs. Gordon Avery as president was accepted with regret. Mrs. Avery is also president of the Sunday, Presbyterial and finds it impossible to carry out her duties in both offices. Mrs. Lawrence Healey, the 2nd vice president will act in her place.

The Easter worship service was taken by Mrs. Smart and her group. After singing a hymn, Mrs. W. Chidley read the Easter scripture lesson on the Resurrection. Mrs. Smart gave a beautiful reading on "The Gospel of Easter." The offering was received and deposited in the absence of Mrs. S. Chidley, a paper prepared by her was given by Mrs. Roy Casey. The singing of the "Day of Resurrection" in prayer by Mrs. R. Wallis closed the meeting.

A social hour followed.

We learn that Mr. and Mrs. Joseph Peacock have disposed of their farm.

Mr. and Mrs. Vincent Cornwall and Judy, Mr. and Mrs. G. Mitchell and family, visited relatives in Belleville on Sunday.

Congratulations to Mr. Percy Parsons who celebrated his 81st birthday on April 13. At present he is confined to bed with a heart ailment and his many friends hope for speedy recovery.

Congratulations to Reeve Deyell upon his re-election to the office of Grand Master of the Grand River Chapter of Ontario.

Mr. and Mrs. W. E. Faulkner, Miss Irene Faulkner, Mr. Manuel Barley, and Clifford Faulkner, attended Grand Lodge in Kingston, last week.

## Members Discuss West Africa

Oakwood (PNS)—The April meeting of the Oakwood W. M. S. met at the home of Mrs. George Hardy, with Mrs. C. D. Anderson in the chair. After a brief opening, Miss Lizzie Harcus and her group led in this worship service. At the close all joined in a Litany of Consolation.

The study book under the direction of Mrs. J. F. Lane was very capably given on Angola-Portuguese West Africa. Mrs. Lane introduced the study by speaking of recent events in S. A.—16 black killed that morning, police were using whips and other items of like nature. She also referred to David Livingstone, a native Dutchman and the United Church has had work since 1885. It is a Portugal colony and the national religion is R. C.

Mrs. Herald Jenkins told of the population and problems of Mrs. E. H. Tipling of the homes. Mrs. Lowsborough of the school, speaking of the work of Frank Laubach. This was illustrated by Mrs. Tipling with a number of cards. Mrs. Sweetman told of the hospital. Mrs. Lane closed the study by telling of the work of the church. Miss Millicent House has recently translated the Bible into the native language. Dr. De. Allen Knight who is introducing better farming methods of the work of Dr. De. Allen Knight of the college and of the other denominations working with the United Church.

During the business period it was announced that Dr. Margaret Arkenfield of the Market would be the guest speaker for the Easter Thank offering meeting. Mrs. J. F. Lane and Mrs. Frank Rich were appointed to assist in the Easter service, the welcoming committee being Mesdames T. H. Hardy, H. Tipling, C. D. Anderson, H. Weldon, with the C. G. I. T. taking up the offering.

An appeal had been previously made for nylon stockings to be sent to Korea. In place of the usual temporary item, Mrs. Harcus referred to an article in the Canadian Girl which tells the story of how these are used in Korea—some of the women supporting them selves with their thighs make from them including such things as beautiful dresses. In the new United Church House in Toronto, behind the altar hang some of these drapes, a marvel of beautiful ingenuity and craftsmanship. Thank you letters were read, and one from Miss Olive Geach, Lindsay, asking for

"THE POST", LINDSAY, ONTARIO, WEDNESDAY, APRIL 19TH, 1960

brief minutes to be sent to Mrs. Thelma Gilson and the press. The Literature Secretary, Mrs. Hardy had on display a number of Literature books and she asked the ladies to look them over and help themselves writing down book taken.

Mrs. Cory, Supply Secretary, arranged for a quilting in the church, when three large and one out quilt are to be quilted for the bazaar. She also arranged for the lavatory. At the close of the meeting, a delicious lunch was served.

## Eight LCI students voted cash prizes by commission

Eight LCI students are going to be better off financially almost any moment now. They have been awarded cash prizes by the Lindsay Hydro Commission for their participation in a public speaking contest. Lindsay winner of the contest is Michael Kuter and receives \$15 for his effort. In second place is Loraine MacPherson who gets \$10 and third is Elizabeth Squire, second \$10 to three member associations across Ontario. Mr. Lightbody said Mr. Moyes had first presented the paper at a meter meeting about a year ago and had since been asked to present it at other meetings. "I think it is pretty nice and we should all feel very proud of this," Commissioner Chas. Lamb declared after he recommended a letter of congratulations be sent to Mr. Moyes.

Expenses of the finalists to travel from Toronto and being paid by Victoria County. Hydro manager J. Lightbody said he had apologized to the Sister Superior at St. Joseph's Convent for the fact that she had not been advised of the secondary school competition.

**Earl Moyes complimented**  
Meternan Earl Moyes received the commission's congratulations for presenting a paper on permanent magnetism and the three member associations across Ontario. Mr. Lightbody said Mr. Moyes had first presented the paper at a meter meeting about a year ago and had since been asked to present it at other meetings. "I think it is pretty nice and we should all feel very proud of this," Commissioner Chas. Lamb declared after he recommended a letter of congratulations be sent to Mr. Moyes.

## No suspicion of foul play reported in shooting incident

No suspicion of foul play is reported to have been uncovered in the shooting of Alvin Mark, 51, R. R. 1, Creswell, night before last.

Mark, still in critical condition at the Ross Memorial Hospital with a rifle bullet wound to his upper left chest, was found by his wife early Monday evening. He is reported to have been lying on the cheerleader when ambulance men arrived to take him to hospital.

OPP at Brechin are investigating the incident. The Mark home is a few miles south of Manilla on the Brock township side of the road.

An unofficial report indicates Mark's recovery is expected.

## No immediate hydro rate hike likely

No increase in power rates for Lindsay hydro users is foreseen in the near future. This prediction is contained in the annual report of Hydro Manager J. Lightbody which was read to commissioners last night.

Another case heard this morning involved a charge against Constable Ralph Fountain said that he was on the street patrol when he heard noises and observed two men on the street in front of the hotel. He approached the two men and found that Johnston had Cunningham pained by the arms to the ground. He told them to get up which they did and Con. Fountain took them to the police station and booked them this morning. After appearing in court, Mr. Cunningham laid a charge of assault against Johnston. On this charge Magistrate Moore found the defendant guilty and convicted him. Johnston was fined \$10.00 and \$18.50 court cost and was granted some time to secure the money. Magistrate Moore told Johnston he couldn't take the law in his own hands.

Other cases heard this morning involved Carl W. James, Lindsay, who was charged with driving while his ability was impaired. He pleaded guilty to this charge and was fined \$70.00 including costs and had his license suspended for three months.

Larry Baldwin, Bevel, was charged with unlawfully and wilfully doing damage to the home of Elwood Baldwin, Elwood Baldwin, brother of the defendant, was called as a witness. He stated that the defendant had kicked the door

Manley's awarded truck order

Manley Motors, Lindsay, has had its tender for supplying a new truck to the Lindsay Hydro Commission accepted.

Write off accounts

Uncollectable accounts amounting to \$100.87 were written off by the commission at its April meeting. A cash shortage of \$6.33 on a volume of \$30,754.47 in 1958 was also written off. "I think that's pretty good—handling all that money and only having that much of a shortage," one member observed. Commissioner Chas. Lamb said he wouldn't give 87 cents for all the accounts under the heading uncollectable.

Manager Praised

Hydro Manager J. Lightbody was complimented by Commissioner Baldwin (chairman) Vaddell Lamb, Brown and 12 rows on his comprehensive annual report.

## Early morning fire destroys frame West Guilford home

Haliburton (PNS) - Fire completely destroyed the frame dwelling home of Mr. and Mrs. Charles Tibb at West Guilford in the early hours of Sunday morning. In the excitement Mr. Tibb did not call the Haliburton fire department at once. Reeve Holly Sisson was on the scene of the fire and phoned Haliburton which responded quickly.

The fire had gained considerable headway and couldn't be halted. A nearby garage was saved.

Only a few pieces of furniture were saved. Firemen stayed until daylight.

Mr. Tibb is a trucker and it is understood there was some business.

**Trade Break At Track**  
Business was good at Ford Race track last Saturday. Harness racing Commissioner Chas. Lamb of Ontario mentioned that a big crowd paid \$700,000 to wager on the events Saturday afternoon.

### WANTS RANSOM WITHIN 48 HOURS

French police report that kidnappers who matched the young heir to an auto fortune yesterday threatened to kill the youngster unless they got \$100,000 ransom within 48 hours. Four-and-one-half-year old Eric Peugeot was kidnapped in broad daylight outside Paris . . . carried off before the startled eyes of his playmates.

### U.S. LAUNCHES NAUTICAL SATELLITE

The United States has successfully launched navigation satellite into orbit around the earth. Less than two hours after the blast-off . . . the U.S. navy announced that the 285-pound satellite—equipped with four radio transmitters—had successfully gone into orbit. The new moon—dubbed the "Transit One-B"—may show scientists how to get a new navigational system that would avoid such disasters as the Andrea Doria - Stockholm ship collision and the crash of two airliners over the Grand Canyon.

### PHILLIPS WROTE EXAGGERATION OF AFRICAN AFFAIRS

South African Foreign Affairs Minister Eric W. Louw has told the Canada Daily Newspaper Publishers' Association that Toronto newsmen Norman Phillips wrote a dispatch that—in his words—"contained gross exaggerations and distortions and also untrue statements." The dispatch led to Phillips' arrest and the association was protesting to South Africa because of the arrest.

### RUSSIA WITHDRAWS 12-MILE PLAN

The six-mile fishing limit compromise proposal of Canada and the U.S. at the Law of the Sea conference in Geneva was described today by Soviet delegate Gritory Tunkin as a plan—in his words—"to bring their meat-of-war close to the territory of coastal states and thereby exercise pressure on the policies of these states." But Russia withdrew its 12-mile plan and shifted to another plan submitted by 16 Afro-Asian-Latin American States just before voting started.

### AUTO COLLISION KILLS SIX PERSONS

A head-on auto collision has killed six persons including a mother and three of her four children at Alliquippa, Pennsylvania. The crash occurred some 20 miles northwest of Pittsburgh when one of the drivers—possibly the victim of a heart attack—lost control of his car. The only surviving child is listed in critical condition.

### DEMAND RUSSIA LET EAST GERMANS DECIDE OWN FATE

The western allies are said to have agreed to demand at next month's summit talks that Russia allow East Germans to decide their own fate. The U.S., British and French foreign ministers will be joined by Canada's Howard Green and West Germany's foreign minister today for the second day of talks aimed at working out a joint allied summit policy. The ministers said yesterday the West will not be forced out of Berlin.

### 200 MEMBERS STRIKING IN WINDSOR

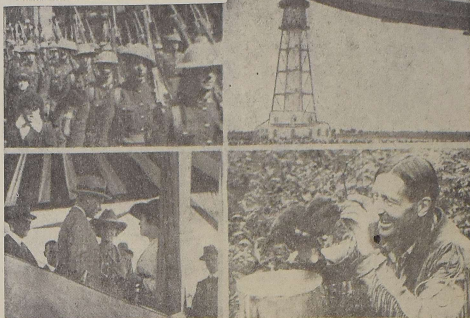

More than 200 members of the International Brotherhood of Teamsters are striking in Windsor, Ontario and tying up hundreds of tons of freight. They are backing up 28 employees of a transport company who in turn went on strike to back up one of their members who was fired.

### ICE JAMS MAY BE DYNAMITED

In juncos on the Assiniboine River near Manitoba may be dynamited today. Army engineers are looking the situation over. The river flooded yesterday, covering Portage La Prairie, Manitoba, with three feet of water. The Red River and other waterways also flooded. A helicopter is standing ready nearby to drop bombs if required.

## Remember When . . . Films Highlight Canada 'Between Two Wars'

Three movies of the 1910's and 20's are shown from three last-year films which the National Film Board produced from rare film footage of that era. The films portray two decades of Canada's 'growing-up' story and have been released under the title **REMEMBER WHEN TWO WARS**.

Upper left: In 1919 the boys came marching home from World War I.  
Upper right: British airship mooring at Montreal after three-day Atlantic crossing in 1919.

Lower left: Prince of Wales, later Duke of Windsor, meets cowgirls during Canadian tour of 1919.  
Lower right: Gen. O'Dell, famous naturalist of the twenties, leads one of his many beaver friends.

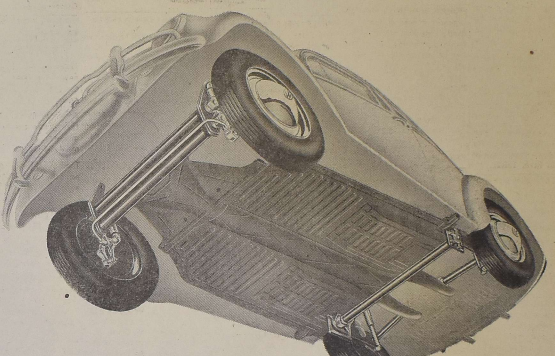

### Plans Made For Sectional Rally

Bury's Green —(PNS)—The Easter Thankoffering meeting of the Bury's Green WMS was held last week at the home of Mrs. Harvey Humphries. The president, Mrs. Cecal Johnston led the worship service. Scripture readings were read by Mrs. Gordon Foll and Mrs. Walker. The Life of Jesus—from birth and childhood to the crucifixion was given by members Mrs. John Tiers, Mrs. Cecal Flett and Mrs. T. Morat. A duet was sung by Mrs. Douglas Jones and Mrs. Woodrow Jones.

Roll call was answered by 15 members. A letter was read from the supply secretary regarding the bible. Articles are to be arranged for and brought to the June meeting. Plans were made for the Sectional Rally to be held at Bury's Green Church, when Miss Dulce Cook, a mission-

ary on furlough from Japan will be the speaker.

The meeting closed with re- Lunch was served by the hostess, the WMS benediction, test and her assistants.

## No other car has springs like these!

Volkswagen rides like a big car—with springs you can't even see! Sealed-in tubes, they're protected from rust, dust and dirt. These torsion bars give independent springing to each of the four wheel-hub-mile any other factory car. You get the same remarkable riding comfort front seat or back.

Volkswagen wheels are different, too. They are larger than normal with larger tires for a softer, more comfortable ride. And oversteer brakes give you maximum safety. Volkswagen's unique suspension, large wheels, luxurious contoured seats—these are the important things when it comes to riding comfort—not size. Volkswagen's ride on any road is unmatched, even by big cars.

That Volkswagen's famous engine is different, is a well known fact. It's in the rear, of course. It's air-cooled. In fact, it has set a new trend in motor design. You get up to 40 miles per gallon and can drive at top speed all day long—if you wish.

All this makes Volkswagen different. When you drive it you'll find—

it pays to be different.

No wonder, then, that Volkswagen is the largest selling imported car in North America—by far!

United Press International  
ARAB REPUBLIC SAYS IT HAS SMASHED ISRAELI RINGS

The United Arab Republic says it has smashed widespread Israeli espionage rings and foiled an Israeli plot to assassinate U.A.R. President Nasser. A Government spokesman says all cases will be brought to court within the next few days. It says one Dutchman, two Italians and two Greeks are among those involved.

### NEW TRIES IN KOREA

New anti-government riots have swept through South Korea. . . and armed insurgents are reported to be battling government troops northeast of Seoul. Rioting against President Rhee's government has spread to at least seven cities. . . in Seoul this morning five persons were killed. . . 15 wounded. . . and 40 arrested. The known death toll of earlier riots now stands at 153, with more than 400 wounded.

### OUTBREAK OF VIOLENCE SHOCK TO RHEE

President Rhee says the outbreak of violence in Korea came as "a great shock" to him. . . and he appealed to South Koreans to "Display Patriotism" and obey the orders of authorities. Rhee expressed regret at the wounding of two Americans in yesterday's rioting, and says those with major grievances "can be certain of redress."

### EISENHOWER MAY CANCEL VISIT TO KOREA

U.S. officials say President Eisenhower may cancel his scheduled visit to Korea June 22-23 unless the Rhee government halts what Secretary of State Rhee has called "Repressive Measures" against its political opposition. Rhee yesterday drew down the South Korean Ambassador and told him he considered the Rhee regime controlled "Popular Disaffection."

### REBELS SEIZE CONTROL OF CARIBBIAN

Army rebels in Venezuela have seized control of the garrison in the southwestern provincial capital of Caracas. The government has announced that two boatloads of Dominican Republic mercenaries are off the Venezuelan coast. Fighting reportedly is underway between loyal and insurgent troops at Caracas. President Romulo Betancourt has broadcast an ultimatum to the rebels to surrender or be bombed into submission.

### POLICE ARREST 309 NATIVES

Police swooped into Durban Village in South Africa at dawn and arrested 309 natives on minor charges. Some were arrested for not having passports, identification of all male natives are required to carry by law. The village—some 50 miles from Johannesburg—was the scene of a similar raid Monday that brought 600 arrests.

### 17 PERSONS KILLED, 15 INJURED IN CRASH

Seven persons were killed and 15 injured when a Colombian airliner bound from Miami to Bogota, crashed into a mountain near the landing field last night. The plane broke in half and caught fire, the tail section sinking into the Bogota River. Visibility at the time was reported near zero.

## Delegation and Council Meet To Discuss Drain Costs

The following members of Mariposa County were present, Reeve Owen Sweetman, Dep. Reeve P. Crawford, and Councillors Roy Morrison, Chas. Stevenson and John Starr.

A delegation of the following were in attendance: Mr. McKillop and Mrs. Woodgate of the Dept. of Highways, Mr. Willis from the District Engineer's office, representatives from the Victoria County Road Board: Mr. W. Wilford, County Engineer, John Allan, John Ashmore, Herman Burkley and Max Kennedy, Mr. Ron Winter, Arthur Simpson, Harold Jenkins and Alan Fran.

Mr. Winter acted as chairman of the meeting to discuss the problem arising out of the Oakwood drain.

Mr. Winter discussed the problem first with the engineers in attendance.

Mr. Allan of the County Road Board felt that the County was assessed too high at one-third to the County, one-third to the highway and one-third to the municipality.

Mr. Winter advised that the Oakwood drain was aggravated by the County and the highway, their water in to the system.

Mr. Burkley advised that the highway should pay 60 per cent of the cost, the county 25 per cent and the municipality 15 per cent.

Mr. Kennedy of the County Road Board felt that the highway should pay 60 per cent, the county 25 per cent and the municipality 15 per cent.

The County Road Board decided to discuss the matter further and reported that they would assume 30 per cent of the cost.

Canada's U.S. silver money draws blast from Detroit newspaper

Toronto, April 18 (UP)—Hurt pride was shared today for a blast in a Detroit newspaper at Canada's new policy of discounting American silver.

The editorial in the Detroit Times yesterday suggested that American tourists should stay home where four quarters are worth a dollar.

"Their pride is hurt," said Ontario Travel and Publicity Minister Evan Cathcart. "The silver was surprised the newspaper ran the editorial."

He had hoped the Americans were going to be the editorial about this and understand that "Canada is not our doing," he added.

The Lindsay Fire Department was kept busy over the weekend extinguishing a number of small fires.

The first call was received on Friday from Mrs. L. Siddle, a Bay St. to put out a grass fire behind her house. On Saturday there were two calls to extinguish grass fires. The first was from S. Norris, 48 Simcoe St., and then from Charles Lamb, 159 S. Norris St.

Firemen were also called to the Blackwell Building on Saturday where a back-up job was done because of some confusion.

Firemen answered all the calls received over the weekend.

## Fireplace Fumes

Firemen were called to a home on Melbourne St. at 8:40 p.m. Monday morning to extinguish a fire in a flooded oil furnace.

The house is occupied by Mr. and Mrs. Charles Verduin, 30 Meunier St. W.

Jones and Dale were the firemen who answered the call.

Canada's U.S. silver money draws blast from Detroit newspaper

Toronto, April 18 (UP)—Hurt pride was shared today for a blast in a Detroit newspaper at Canada's new policy of discounting American silver.

The editorial in the Detroit Times yesterday suggested that American tourists should stay home where four quarters are worth a dollar.

"Their pride is hurt," said Ontario Travel and Publicity Minister Evan Cathcart. "The silver was surprised the newspaper ran the editorial."

He had hoped the Americans were going to be the editorial about this and understand that "Canada is not our doing," he added.

The Lindsay Fire Department was kept busy over the weekend extinguishing a number of small fires.

The first call was received on Friday from Mrs. L. Siddle, a Bay St. to put out a grass fire behind her house. On Saturday there were two calls to extinguish grass fires. The first was from S. Norris, 48 Simcoe St., and then from Charles Lamb, 159 S. Norris St.

Firemen were also called to the Blackwell Building on Saturday where a back-up job was done because of some confusion.

Firemen answered all the calls received over the weekend.

## Fireplace Fumes

Firemen were called to a home on Melbourne St. at 8:40 p.m. Monday morning to extinguish a fire in a flooded oil furnace.

The house is occupied by Mr. and Mrs. Charles Verduin, 30 Meunier St. W.

Jones and Dale were the firemen who answered the call.

# Peacemakers Beware! Game Overseers Warn

## Plan stepped-up spring drive

High house and low waterfall

Some boys out Woodville way like to "fire it up" a bit and they build their houses in the line of a sturdy maple tree on the eastern outskirts of the village. There is one thing to be said for camping out in a spot like that — no snakes. But what about bare boys? The low waterfall shown above, right, is a familiar spring-

time sight to those who travel south on the Fenelon Falls-Lindsay highway at a point just beyond McLean's Creek. It was especially attractive last Sunday at the height of the spring run-off. Lindsay contractor L. T. Brainton's home is just a short distance east of the waterfall's location.

Peacemakers beware! That's the notice served to by Lands and Forests officials of the Lindsay Forestry District.

District Forester Don Wilson says a stepped-up drive to put down poaching in the area is being carried out this spring.

The department is particularly concerned with snoring of fish on spawning beds but notes that "poached" at game overseers' interest, it applies to the taking of fish or game out of season.

Stressing the low in regard to fishing, it was pointed out that it is illegal to take fish or game until April 29th. Even then, no nets or spears can be used in this district. With the opening of the small season down on the front Lake Ontario dip nets are permitted for the taking of this course fish.

**Plan Survey**  
An additional survey is to be carried out by the department soon to determine the winter effects on the district's deer population. This is done by visiting the district forester says this permits the wintering of the deer to be observed and the deer to be praised the toll taken of herds.

**Don't stir axes at farrowing**  
Time reminds Gary Norst, O.A.C. swine researcher. Clip needle teeth and paint tails with tincture of iodine. If there aren't enough teeth for all the pigs, move some of the pigs to another sow that farrowed within the previous 2 days.

Be sure to get Ontario Department of Agriculture bulletin, "1960 Field Crop Recommendations for Ontario," advises Stan Young, crop expert at the O.A.C. Copies will be in your county Agricultural Representative's office. They will list the best variety choices for the year.

Better debate those calves before fly time if you plan to gouge them, says Prof. G. E. Rathbun, head of the courses are almost certain to be interested with maggots during the fly season.

Good stands of alfalfa or birdfoot trefoil mixtures can be obtained without a nurse crop if you hand seed in April, says Jack Wanch, O.C. crop specialist. Use press wheels to pack the legume seed. Spray with 2-4D-B (16 to 18 ounces) to control weeds if the seedling time is to be postponed this year.

**SPRING SUN MAY BROWN EVERGREENS**  
When of's soil turns his benevolent countenance on Mother Earth in the spring, the result is usually welcomed by all.

Not so with evergreen trees. Bright sunlight in March and April can cause surprising high temperatures with in the needles, evaporating moisture while the roots cannot absorb a replenishing supply.

**FEMININE INTUITION**  
Call it feminine intuition or mere force of habit. Whatever the tag, Evelyn Keallanos—a candy store clerk—is a good example.

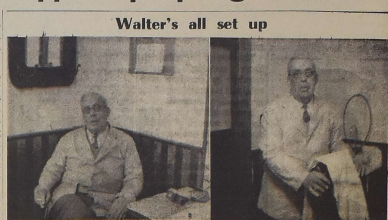

She told police that she has been robbed so many times that when a suspicious-looking character enters the shop, she simply runs to the back room.

When she returned, her suspicions were confirmed. The cash drawer was short by 122 dollars—U.P.I.

Walter's all set up in his new by appointment only barber shop at his home, 2 Duke Street, Lindsay. He is shown above in two scenes within his shop — at first, he relaxes in a waiting room chair as an eight, he stands ready for the next customer to relax in the barber chair. Walter Richards was 60 years a barber on William Street just south of Kent. When he was forced to vacate owing to the premises being absorbed by the building's owner, he wasn't ready to retire so he started his home shop by appointment only. It works out just dandy, Walter says.

## Complete sell-out, wonderful response, Community Concerts president reports

A complete sell-out is reported following the Community Concerts Association's membership drive in this district.

President T. Stego says the response this year was wonderful.

During the next season, there will be a series of outstanding concerts, amongst whom will be the internationally famous Don Cosacchi.

"Your executive," Mr. Stego said today, "is delighted and appreciative of the wonderful response that has been shown to Community Concerts and know that the season of 1963-64 will be another happy and eventful year."

Following the completion of the campaign on Saturday, an executive meeting of your Community Concerts Association was held.

When the growing season arrives they open up and give way to new green shoots and foliage which quickly hide the defoliated older trees. In exceptional seasons, the drying action of early spring sunshine and dry winds may kill buds and twigs in addition to foliage.

Small trees can be protected by burying them with snow. General watering in the fall increases the water content of the whole tree before winter begins, reducing the risk of winter drying. Mulch to conserve soil moisture in windbreaks is recommended.

## "England done for? Don't believe it!" Lindsay's George Lamb tells countrymen

Canada reads some publicity when the American George Lamb paid a visit to his home in England.

On his return, Mr. Lamb brought with him a copy of the *Star* and *Weekly* *Star*, April 18 issue, in which the following interview appeared under the caption "England Done For? Don't Believe It!"

"England is just about done for?" This is what the majority of Canadians are led to believe according to Mr. George Lamb, born in England for the first time since he left England as a migrant in 1947.

Although Mr. Lamb was never accepted by the American press, he was very popular in the American magazines and other media which portrayed Britain in this light, he was very pleasantly surprised to find just how little this was the case.

Thirty-one years old, Mr. Lamb has been staying with his wife and four children at 4 Berdmore - Street, Fenton. He arrived at Fenton in April, 1961, after a year in London.

He was in Fenton since May 22. He leaves for London today. Friday and will fly back to Canada tomorrow. He has spent 13 years in Canada at Lindsay Ontario.

He was a very attractive part of the province 30 miles northeast of Toronto and is a bank manager for the bank of Commerce.

He has a married daughter living in Normandy. His wife who had her holiday in Fenton earlier and his four children did not come from Canada with Mr. Lamb on this occasion.

He adds, he declares, it is a land of opportunity to people with initiative and will ingness to work which most migrants possess. Mr. Lamb gave two reasons why some Canadians while residing here necessary immigration is to their country in the long run. Still, he said, a migrant in Canada must find for himself, for he can find very few relatives to fall back on. He therefore realizes that he must exert himself more than the average Canadian. This often results in his securing a job and promotion before Canadian. Estimates of climate in Canada mean that unemployment is relatively heavy at certain times. Immigration cannot be arranged to coincide with the favourable weather. Mr. Lamb, a naturally employed labor force becomes larger by the addition of migrants. He said, "I am naturally had pages of quite heavy home books but is regret at leaving in Canada and would choose to go there again were it necessary. He often wishes that on Saturday nights there was some sport other than ice-hockey to watch; but says "When in Rome, do as the Romans do."

Impressed by the prosperity evident in Britain especially among the better-to-do people—Mr. Lamb thinks the welfare state excellent and wishes it existed in Canada where Darwinian principles prevail. He has been looking particularly at local pottery factories and thinks the modernization taking place in the face of foreign competition most encouraging.

There was also picture of the April meeting of the British Chapter of the I.O.O.F. held last Thursday in the I.O.O.F. Hall. Following the opening prayer, the flag was raised and the reading of the Declaration of Independence was read by Mr. J. Davies, last vice regent, who presided in the absence of the regent. The Regent, Mr. H. Croft, accompanied by the Echoes Secretary, Mrs. D. Jones, were representing the chapter at the Provincial Convention in Hamilton. Minutes of the previous meeting were read, roll call taken and the treasury report given.

Mr. G. Greville, Corresponding Secretary, then read a number of thanks and appreciation from the teacher of the adopted school in Kirkfield, letter from the Victoria Convention, and a letter of continued support and a note of thanks from Mr. T. Bherley for the \$100.00 donation and the continuing Grade XI prize.

Mr. G. McFadden agreed to assist in carrying the formal Auction Sale at the time.

## Good Friday his birthday

Good Friday was a day of special significance to Lindsay's Soda Water Works Commission of the Lindsay Soda Water Works. It was his 80th birthday. Many happy returns.

## Lindsay boy wins bicycle

A Lindsay boy was the lucky winner of a bicycle at the Century Theatre Saturday morning.

The boy was attending the Lindsay Soda Water Works Cartoon Theatre Party sponsored by the Pepsi Cola Co. Admission to the show was gained by presenting six children caps. The children were then given a ticket with a number on it. The boy holding the lucky ticket was Ron Groulx, 9, 145 Melbourne St. west, Lindsay.

## Radiation check

The government has dispatched letters to fellow-members of the United Nations inviting a worldwide sampling of food, soil, air and water to check radioactive content.

The Examination will be conducted by several countries of which Canada is one. The whole idea of the extensive check was Canada's and was embodied in a resolution which was passed by the last session of the U.N. General Assembly.

### PLAN FOR MORE PASTURE, FEWER WEEDS

Now is the time to decide when there's enough grass and white clover in natural pastures to be worth encouraging against the Field Crop Agency of the Ontario Dept. of Agriculture. If there isn't, it's a case of eliminating weeds, either by cultivation or by chemicals, and then establishing some new seed. Fine grass usually established best with fall seeding, spend the summer cleaning up the weeds and getting the ground in shape for seeding in late August or early September.

If the area to be renovated does not warrant a complete re-seeding, a double-barrelled program of fertility and weeding is necessary, and it's success is to result.

Start now with the fertilizer program, getting the fertilizer on well ahead of the live stock. Last week would have been better, just fall better still. For grass, the most essential nutrient is nitrogen, and it can be applied very successfully in early spring. A good, general recommendation is to apply 100 lbs. per acre of ammonium nitrate, or its equivalent, or to fall application of phosphorus and potash has been found to be 400 to 450 lbs. per acre of 10-10-10.

Having determined the best time for the next step, the next step is to get after the weeds. This is, of course, white clover, legume, wild carrot, ragwort, oxeye daisy and rattle. These are a few of the common weeds in addition to the aforementioned weed of the goldenrod. These weeds with the possible exception of milkweed, can be controlled by 15 to 20 lbs. of 2,4-D per acre. If it is done at the right time. The right time in most areas is between mid-May and June 1, or when the blue weed or daisy is not much past the rosette stage, and the thistles are less than a foot high. Since all weeds do not grow at the same time, a second treatment is usually necessary in late September.

In spraying pastures, use from 10 to 20 gallons of spray solution per acre for best results. In the event that milkweed proves resistant to these treatments, use the direct approach. Simply cut it off and spray it out as soon as the pods start to form.

### Winners of Trophies Honoured at Banquet

Haliburton (PNS) — The L. O. A. of Haliburton, tendered a banquet for the winners of the Glen Dart Memorial Trophies, their friends and parents on Saturday night at the hotel. It was sponsored by the L. O. A. in its 10th anniversary. The banquet was served and prepared on these happy occasions was taken over by the ladies of the L. O. A.

Prior to the dinner Rev. Mr. William Armstrong was asked to give the invocation. The dinner was served by Mrs. Fred Newman (Orngeman) and a number of the ladies. The winners of the trophies were prominent as chairman and after a few remarks in his usual charming manner spoke briefly but sincerely and introduced Mr. Frank McIntyre, a member of Al. Blandford who produced much entertainment during the evening.

The dinner was presided over by the President of the Glen Dart Memorial Trophies Committee, Mrs. J. A. Blandford. He planned the awards offered by the Robin Hood company to the winners of the trophies. The winners were: Mr. J. A. Blandford, who while on the ice, not only displays proficiency in hockey but also in the hockey and the dedication for the hockey.

## Officials Desire Agreement Concerning Firing

The following members of the Mariposa Council were present: Reeve Owen Swenson, Dep-Reeve H. P. Glasford, and Councilors Roy Morrison, Charles Stevenson and John Starr.

The minutes of the previous meeting were read and approved on motion of Messrs Roy Morrison and John Starr.

Mr. Harvey Goard walked on the council regarding the by-law to close the unopened road across Lot 22, "C".

The council explained the situation and being assured that a new road would be opened, Mr. Goard said that he was satisfied and would not object.

Messrs. Murray James, Lloyd Graham, W. Morton and Roy Tremmer walked on the council. They presented an estimated cost to paint the road of the Oakwood skating rink. They asked for a grant towards the project.

The council assured them that they would give their request consideration.

Messrs. Vince Baker and Arthur Trent representing the Mariposa Agricultural Society walked on the council. They desired to have a new fence erected along the front and the south side of the four-acre field recently purchased by the Fair Board and the Township of Mariposa.

Messrs. Wm. McTaggart and Gordon Starr, who fly in inspectors for the Township of Mariposa, walked on council regarding spraying and marking of the fields.

Messrs. Arthur Squares, Harold Jenkins and Alan Pratt, trustees of Oakwood, walked on the council regarding the Oakwood drain. Mr. Squares said that he wanted a delegation from the Dept. of Highways, the County Road, the District Engineer, Mr. Boucher, and Mr. Winter's Township Engineer.

The Clerk was authorized to arrange a meeting as soon as possible.

The Trustees of Oakwood Village also asked for a grant to purchase more hose for their fire department.

Messrs. Harvey and Wm. Chambers, Dep-Reeve, Council, walked on the council. They desired to have an agreement for fire fighting in order to cut out unnecessary calls.

Mr. Sweetman, Reeve, felt that the matter should be taken up with the fire chief of the British Columbia and Ontario Street lights for the hamlet.

Moved by John Starr, seconded by Roy Morrison, that the clerk arrange a meeting for May to meet the Hydro from Oakridge, a delegation of the Hydro and representatives from the Township of Mariposa, to discuss the erection of the lines.

The communications were read by the Clerk of Planning and Development advising the Emergency Measures Organization of Ontario regarding the Township of Mariposa, for the year 1959.

## Harmony Hour Luncheon harmonious success

### Harmony and Ham go together

Harmony took the cake at a Harmony Hour luncheon in the Lindsay Academy Theatre today.

The venture—first of its kind in Lindsay—was a project of the Lady Hughes Chapter, IOOF, and it could be termed a harmonious success. It was proof that harmony and ham if you got ham sandwiches in a very hot lunch went together very well.

Members of the chapter in colourful "harbourside" costumes entertained the eating patrons of the luncheon with a little close harmony before the main feature of the hour: ham and a "harbourside" quartet contest.

The harmony five quartet, a "harbourside" quartet, sang to declare three in first place on the first round. An accompanist appeared no singing this time gave the Rotary Club's "gale" into undisputed first place.

The singing was well received in costumes of doubtful Scottish origin (there seemed to be something wrong with the costumes which resembled the real thing except for some shawls which were in most shattered the applause meter. He said before he started, "Every time you put in a and Merle Lyons.

Other quartets taking part: A Lions Club entry dressed in striped "harbourside" jackets and made up of Ed Waterhouse, Frank Timmerman, Don Heiple and Al Gaud. K. of C. The quartet's accompanist, Norman Bisette, had a snap; and a nightingale, purchased from the Kinsmen Club who scampers on stage wearing nightgowns and caps, carrying canes and disguised with big black moustaches.

Mrs. Elizabeth McMillen, who presided, announced that she delighted the house when she soloed producer George Zarfas to come on stage and do a saved act. ## Accepting refugees not act of charity, speaker tells Victoria TB Association

### Toronto architects to design Legion Hall expansion

Accepting refugees into Canada is not an act of charity but an obligation of self-interest. This opinion was voiced last night by Peterborough councillor Eileen Holt when she addressed a special meeting of Victoria County's TB Association at Lindsay.

She pointed out that the World Health Organization and the World Refugee Conference in London, 1958, had agreed that the World Health Organization is designated to prevent the spread of disease from one country to another and that the World Health Organization is designated to prevent the spread of disease from one country to another and that the World Health Organization is designated to prevent the spread of disease from one country to another.

## Haliburton woman momentarily deafened and blinded by flash, home wrecked

A Halibut won't narrowly escaped being killed Saturday morning when her home was struck by lightning.

Mrs. Russell said she and a half from Halibut on Highway 121, was ironing Saturday morning when lightning struck the hydro pole in front of her house. She saw antennas on it. The cord of the iron which she was using was resting on a small table next to the sink. She yelled down the shell and showed up the sink and down the hot water pipes into the ground. Had it not been there for the metal pipes, Mrs. Neville says she would have been electrocuted.

Parts of the home were destroyed during the strike. This included a dormer wall in the upstairs portion of the house. The TV set blew out and the television wires along the side of the house were also broken.

Mrs. Neville says it is not known if the home is insured or how much damage sustained. Most of the walls of the house have been cracked. A living room fireplace has been damaged. The home's insurance agent will be in the home some today.

Mayor Lloyd Burrows told and promised to investigate at the fire, the chief in  
that I think he was on the request this was sometimes a p

Addressing Fire Committee Chairman Jos. Hutton, his worship asked if it were true the fireman who was killed was as a result of the fire, didn't use an air pack to go into the burning building.

"If that is true, he had requested to be called by major fires but 'they don't call me.' He said he would like to be on the fire," he said.

Mayor Burrows also told the chairman he would be at almost immediately after the fire for over 50 minutes after the fire started.

Councillor Pepper said it used to be the case that if a fireman didn't get permission if they were to be out of town.

Speaking with Fire Chief Arnold Ward, he said that the fire was "The Post" man sometimes did take unnecessary chances in the excitement of a fire.

Chief Ward, showing up promptly after the fire, said he was especially on weekend early morning fires.

He said he was talking to the chief of the fire department and he would not pull on the matter later.

## FIRE MARSHAL'S FACTS OR "47%"

the Fire Marshal's quarterly reports perhaps wouldn't make very good reading for the average person, but they are always something to be learned — something that might save your home or even your life.

Would it surprise you to learn that a total of 49 men, women, and children died in Ontario fires between the first three months of 1960 and that over a million dollars property damage was done? That fires were on the increase in Ontario during that period, up from 0.426 in the first three months of 1959 to 0.437 in 1960, or 2.6 per cent a year ago. Or that careless smoking habits are the greatest single cause of home fires?

Included with the Fire Marshal's report for the first quarter of 1960 is a list of 100 causes of fires.

The market contains a striking statistic and one which commands the thoughtful consideration of all who smoke.

The statistic is 47 per cent. All Canadian deaths attributed to "careless smoking."

If you wouldn't care to contribute to unnecessary loss of life and property through this cause, you couldn't make a better start towards avoiding it than by reading these recommendations from the Ontario Fire Marshal's office:

DEVELOP SAFE HABITS  
Never Smoke in Bed.

Use only approved types of ash trays which are made of non-combustible materials and designed so that the cigarette, if left burning, will fall into the tray. If you have any other types of ash trays in your house, use them with caution.

Never empty ash trays with smouldering cigars.

Check all rooms and furniture such as chesterfields, before going to bed to make sure that no one

Lindsay's recreation commis- public skating would be hard-

on its work and urged to carry on. The compliance and direction came following a report from Commissioner Fred Emerson on past and future operations of the centre. He was supporter at a special meeting of council by Commissioners Austin Street, Dr. W.

Speaking to the 1960 budget prior to council dealing with a bylaw to appoint a recreation director, Mr. Emerson was seeking direction on commission matters.

The expensive item in connection with recreation in Lindsay is the operation of the arena, Mr. Emerson told the meeting. He said the commission regarded minor hockey, figure and public skating as true recreation costs but

Mr. Emerson said the reason was "we don't want to lose anyone—we want you to see what the true picture is."

Deputy - reeve McQuarrie said he could remember when revenue from hockey was consistently better than from other activities. He recalled there was \$2,354 profit from

Deputy-reeve McQuarrie asked if it were possible the time is coming when "we'll have to decide the arena isn't serving enough people to warrant a grant."

Previously Mr. McQuarrie had asked if hockey would suffer if the arena didn't open until December 1st instead of November 1st.

## Editorial

### ORGANIZATIONS LIKE MONEY . . .

Organizations, like money, can become troublesome when those who plentiful and memberships overlap. We seem to be headed that way in Lindsay. The town is undoubtedly over-organized for its size and the result is not good. Why do we suggest this? Because when a town is over-organized, the people serve on one or more of the various organizations and become the victims of conflicting loyalties.

Say for example, a man is on the directorate of one organization and he is also attached to some other group. He is going to be influenced in his decisions regarding one organization by his association with the happenings in the other unless he avoids this unless he is not too plentiful in his time when herd instinct seems to predominate.

We also find this tendency to over-organizations creeping into all levels of government from municipal councils on up the line. Councils as a whole are often not fully acquainted with the facts of many issues brought before them but rather are asked to approve or reject vital decisions arrived at by committees and sub-committees. This trend leads to confusion, and in some cases, can create dissatisfaction within the ranks.

Some of the officers, who should function as a whole body with only small committees to report on to them, are given problem. Large committees, that are given a mission, will constitute a sufficient number of council to swing an issue, should not be appointed.

Membership on other municipal bodies (committees) should be restricted to no more than any given organization. This would permit full concentration on that group's work without the distraction of having to keep up with other organizations.

### A CRITIC TO THE DEPARTMENT

People frequently have some unkind remarks to make about the government and civil servants. But those who heard Mr. McQuarrie speak at the Lindsay Association of Public Works, when he appeared before a special meeting of council here this week, could help him admit him.

Mr. McQuarrie is a resident in his department and his presentation of the unbiased facts concerning the choice of a federal building site for Lindsay drew admiration from those who heard him. He explained the developments leading to the choice in a clear and concise manner, giving sound reasons for the recommendation he had made.

Even those who had entertained ideas of another site were forced to admit they could take no issue with reasons for the departmental engineer's choice of the southeast corner of Cambridge and Russell Sts. Mr. Kayes stood aloof from local controversy and refused to become involved in local politics or divisions. He stuck strictly to the matter at hand—a suitable, economically practical and sound choice of a site for a new federal building in Lindsay.

### MR. MCQUARRIE MAKES A POINT

While Deputy-Minister McQuarrie of Lindsay doesn't come out flatly and say so in so many words, he has implied in remarks to town council that the present system of high school education is costing a lot more money and achieving results not much greater than those derived from continuation school training.

In suggesting this, Mr. McQuarrie has not taken issue with the calibre of teachers engaged in high school work nor with the devotion of the schools to their principals. He is simply wondering, as many others have before him, if the general benefits from the high school area system are in keeping with the costs entailed.

This is not a new development—People wondered about the benefits when the changeover from continuation and individual high schools was made to the larger high school area types of schools.

There are several things to be said for and against the enlarged high school idea but to say that students acquire more knowledge in the larger schools would be a statement which might be difficult to back up. It is only necessary to look back over the years and note the fact that there have been many successful men who received their high school education in the old village grammar or high school. A significant and possibly contributing factor, may be contained in the fact that they had longer school hours and the time now spent travelling to and from school was available for study.

Mr. McQuarrie may well be correct in his assumption that high school education is passing through a transition period and further change may be expected.

There is a saying to the effect that what is suitable today may not be satisfactory tomorrow—Could it be healthy true that we have discarded some methods in the process of change which might serve very well today? We rather liked the deputy-minister's use of the word "to not forget the days when things were done differently and say as effectively. Do you, too, find something in the appeal which gives cause to re-examine?

### ARE WE INVITING FIRES? . . .

We are inviting fires? . . . A number of people are wondering about this these days and not without reason.

This is the time of year when nearly everyone gets busy cleaning up the back yard and the natural tendency is to get rid of the leaves, broken limbs and other debris left over from winter, by burning it up.

### BASIC FACTS ABOUT ONTARIO HOSPITAL INSURANCE

Hospital care can be very costly and in Canada and every resident of Ontario can be insured against this expense through the government-sponsored Ontario Hospital Insurance Plan. Ontario Hospital Insurance is the only standard (publicly) ward hospital insurance available to residents of the province of Ontario.

### ELIGIBILITY FOR BENEFITS

Benefits of the plan are available to all residents who register and pay premiums. New residents of the province should register immediately. Benefits become available on the first day of the third month after registration.

### REGISTRATION

Residents employed where there are hospital insurance plans will be automatically registered by their employers. Other residents may register directly with the Commission and pay premiums every three months. Pay-Direct arrangements are available from the Commission, from hospitals, and from most banks.

### BENEFITS

The plan pays for hospital care which is medically necessary to the treatment of an insured patient in a hospital or from a hospital to a hospital. It also covers emergency out-patient only, within 24 hours of an accident. The plan does NOT cover "physician's fees" except as charged by a hospital (INSURED) services. Other medical doctors such as surgeons, anaesthetists, etc., will render their own charges in addition to the patient.

### PREMIUMS

The monthly premiums are \$2.10 a month for all residents who are insured through the Ontario Hospital Insurance Plan. These premiums are the same for a single person and \$4.20 a month for a family. The family premium covers husband, wife and unmarried, unemployed children under 18 years of age and children 18 or over who are financially dependent because of mental or physical infirmity.

Sometimes these bonfires get out of hand and spread to nearby grassland or buildings with disastrous results.

A person, who has recently moved to Lindsay from another and larger center, has expressed amazement that the garbage collection system in the town doesn't provide for properly packaged waste material such as lawn refuse to be taken to the municipal dump. It was this person who asked the question: "Aren't you asking for fires in Lindsay?"

Frankly, the question is one which cannot be dismissed lightly. Are we inviting fires by making it necessary for people to burn rubbish in densely built-up areas? What do you think?

## Mother, married daughter perish in heat, smoke

### DST and death arrive here almost together

Daylight Saving Time and death came to Lindsay about the same time early Sunday morning.

A mother and her married daughter perished in a fire which was first noticed shortly after 2 a.m. DST. Dead are Mrs. Florence M. McCarthy, 87, and Mrs. W. L. Blair, 47, who were asphyxiated when fire broke out in the northwest ground floor section of the 50 Kent Street east home.

One fireman—Cliff Black—was overcome by smoke and heat and required lengthy hospital care. He was released from hospital last Saturday night.

Fire Chief Arnold Watson said a chestfire in the home seemed to be the starting point of the fire. He indicated smoke ejector on the roof of the house which was formerly a bedroom floor. The body in her light to safety.

## Busy Bazaar Hold Meeting

Dundas (PNS)—The Easter meeting of the Busy Bazaar was held in the school room with a good attendance. President Barbara Johns opened the meeting with a hymn. The Easter story was told by Mrs. Jack L. Thurston followed by the scripture reading by Mary Thurston and prayer by Mrs. Grant Thurston.

The members sang several African songs. Connie Roberts gave the treasurer's report. The secretary, Gwen Atwell read the minutes of the last meeting. The bazaar box was passed around, followed by a hymn. Offering was taken by Joan Stinson.

"The African Village" story from the study book was given by Jack Thurston. The children enjoyed some games. The meeting closed with the benediction by Mrs. G. McQuarrie.

Arrangements for a double service were made. Besides her husband, who is believed to have been up on the roof of the house when the fire broke out.

# Benson said we are afraid it"

Action on the formation of composite schools in this high school area is being deferred. Decision to postpone this measure was made by the Victoria County High School Area board meeting here last week.

The board heard from the principals, principals, connected with formation of composite schools in Lindsay, Peterborough, from board member J. Gleeson and Stewart, art PEEL, Linda and art instructor.

Reporting for a committee named to study the composite school idea, Mr. Gleeson said the board had adequate space to incorporate the extra courses of study but Lindsay would need additional space and teachers . . . three shops, one room and three teachers. Estimated cost of the required additional space would be \$100,000 which was an estimated grade of \$100,000.

**Gues - finalites**

At one point in his report, Mr. Gleeson said the work "guess finalites". He said the estimates submitted were really "guesstimates".

Mr. Gleeson said the board would figure estimate of the cost of building and equipping the extra rooms, plus the cost of the extra teachers.

## More men, fewer women with jobs in area, but number employed up

There are more men and fewer women unemployed this year as compared to last year. This was learned here when a check was made by the Employment office in Lindsay.

Employment officer H.C. Brown said 726 males and 227 females were unemployed and registered as of April 1978. This compares with 683 males and 280 females at the same time last year. The rates for the two years are 1059 - 985 and 1960 - 953.

Mr. Brown said that because of the new industries in town there were more people industrially employed in Lindsay than in any other town.

## Garage, car, outboard motor lost in \$1200 general alarm fire

### LETTERS TO THE EDITOR

Mr. Editor: I am writing to you to express my disappointment in the result of a garage fire on Melbourne St. west.

The garage was being rented from Mrs. Geo. Wilcox, 2 Melbourne St. W. by Mr. Wilcox. The garage was also used as an apartment in the rear part of the house.

It is reported that Mrs. Wilcox was burning some waste at the rear of the garage and left the fire for a moment to go into the house. The fire caused the loss of a car, an outboard motor and a number of tools.

The garage housed a 1948 Pontiac car, a Johnson outboard motor and a number of tools. The garage was also used as an apartment in the rear part of the house.

Mr. Wilcox recalled that they had only one cold day when the fire occurred. The fire was reported to the fire department about 11 a.m. by Mr. Griffin and a general alarm was sent out. There were two trucks and the hose truck on the scene.

Chief Ronald Watson said that a general alarm should be sounded whenever there is a fire in a residential area. He said that the fire was reported to the fire department about 11 a.m. by Mr. Griffin and a general alarm was sent out. There were two trucks and the hose truck on the scene.

## In Florida three months, enjoyed 'Post'

The Thursday Post has resumed of news from the district reaches places near and far. The winter is brought special pleasure to Mr. A. Williams of Cameron who he holds in Florida just back from a three-month holiday, he says it kept him in touch with local developments and that he was very happy to receive it. The paper reached him generally about Monday of the week following publication.

Mr. Williams resided at R.R. No. 2 Camera, the first house built on the ridge just back the village on the right hand side of the area as you travel towards Fenelon Falls. He was born in Belgium, and after emigrating to Canada in 1912, he came to Lindsay to come to Ontario in 1927 and eventually got a cottage at Sturgeon Lake. He liked to travel and he decided to make this his permanent home.

Mr. Williams has been a cab driver since 1945. Speaking of his holidays, Mr. Williams recalled that they had only one cold day when the fire occurred. The fire was reported to the fire department about 11 a.m. by Mr. Griffin and a general alarm was sent out. There were two trucks and the hose truck on the scene.

## Teel — Roche Nuptials

Shown in the above picture are Mr. and Mrs. Ronald Teel who were married in St. Mary's Roman Catholic Church, Lindsay. The bride was the former Mary Irene Roche of R.R. 2, Lindsay and the groom is the son of Mrs. Percy Teel, Oakwood. The couple are now residing in Toronto.

quiet but pretty wedding and Dick Purvis took place at St. Mary's church, Lindsay, Feb. 27, when Mary Irene Roche, daughter of Mr. and Mrs. F. G. Roche became the bride of Ronald John Teel. The groom is the son of Mrs. Percy Teel, Oakwood.

Father Hart performed the ceremony. Edgar Smith sang and Miss Shannon played the wedding music.

Given in marriage by her father, the bride was lovely in a white street length organza coat which covered a white satin sheath, fitting tightly at the waist, large collar and long sleeves. Her finger tip veil held a pearl trimmed headpiece and she carried a cross of red carnations.

The bridesmaid, Shirley Quibell was becomingly attired in a pale mauve, styled like the bride's, but with short sleeves and pale mauve headpiece. Junior bridesmaid Suzanne Roche, sister of the bride, was prettily attired in yellow and she carried crosses of yellow carnations.

Groomsmen were Garfield Teel brother of the groom and others were Ronnie Roche.

## Kavaliers work out...

Lindsay Kiwanis Kavaliers are shown above in two pictures taken as they go through their routine sessions in the open air. In the top photo a section of the drum and trumpet corps steps out smartly as the boys are put through their paces. Those who watch these young musicians in action are in presence with the show they put on. In the lower photo, the band's color party lines up for a drill. Under the direction of parade marshal (left) Gilson (not shown), the party is made up of (left to right), Doug White, Vic Robinson, Jimmy Cline, John O'Reilly, Paul Ashmore, Fred Fuller and Richard Babcock. First seasonal performance of the Kavaliers was at Peterborough's Sportsman's Show this week.

## Drama Award Won By Fenelon Falls

Fenelon Falls (PNS)—The Junior Farmers Drama Festival Zone 1, finals were held in the auditorium of Fenelon Falls High School, when one-act plays were presented by Lanark and Fenelon Junior Farmers. Lanark County was represented by a group from Appleton and presented a play entitled "Pig O' My Heart!"

This was followed by the play "His First Date" presented by the Fenelon Falls group.

Mr. Howard Nesbitt, past president, introduced the play. John Stephens, Connie Fairfield, Joanne Nesbitt, Joan Webster and Bernice Wabner. Paul Black was the unfortunate victim of mumps and Renee Weber who directed the play filled in for him on short notice.

The adjudicator, Mr. Peter McCombe, of Peterborough complimented both groups on their fine performance.

He announced that the Fenelon Falls play was the winner of the Victoria County

## Says Canadians world's worst from physical fitness stand point

Grimsby, April 25—(UPI)—Toronto Maple Leafs left wing or Dickey Duff says "Canadian physical condition is poorer than any other country."

Duff spoke to 200 delegates attending the Ontario Teenagers Alcohol Study Conference in Grimsby, yesterday.

"Russia is always ahead in physical education," Duff said. He blamed "The soft life we lead."

"We're living in luxury," Duff said. "The Canadian generation, need to be conditioned."

Newcastle was called off because a local organ dealer objected to the planned burning of a disused house on a Sunday.

Firemen from Cobourg, Newcastle, Oronto and Bowmanville had got permission to burn the old 13-room house owned by the highways department to test the efficiency of their equipment. The burning was postponed until next Saturday when the Rev. M. C. Fisher of Newcastle United Church lodged a protest.

Speaking on the subject of "alcohol in sports," Duff said "There are some players in the minor leagues who could be National hockey material, but drinking ruined them."

## TODAY, MORE THAN 5 1/2 MILLION RESIDENTS OF THE PROVINCE OF ONTARIO ARE COVERED BY ONTARIO HOSPITAL INSURANCE

THIS MEANS THAT 93% OF THE POPULATION NOW HAVE MAXIMUM PROTECTION AGAINST THE COST OF NECESSARY HOSPITAL CARE

4,200,000 ONTARIO RESIDENTS, IN GROUPS, are now insured. 16,000 business firms and other organizations are co-operating to make these benefits available to their employees and members.

1,200,000 RESIDENTS, NOT IN GROUPS, are insured through premiums paid directly to the Commission.

100,000 MUNICIPAL WELFARE RECIPIENTS are also covered for hospital care.

\$158,000,000 WAS PAID IN 1959, through the Commission, for standard ward hospital care received by insured residents.

EVERY MONTH LAST YEAR, MORE THAN 50,000 PATIENTS received hospital benefits under their Ontario Hospital Insurance Certificates. These benefits covered cases ranging from minor emergency treatments to long-term illnesses costing several thousands of dollars.

8,000 ONTARIO RESIDENTS RECEIVED BENEFITS for hospital care while outside the Province.

MORE HOSPITAL BEDS IN ONTARIO  
Communities, hospitals and the Commission are working together, assisted by Provincial and Federal grants, to meet the need for more hospital accommodation in a growing Ontario. In 1959, 2,000 new beds were added; accommodation for 3,000 beds were under construction and facilities for 3,500 more beds were in advanced planning stages.

WHAT DOES ALL THIS MEAN TO YOU?  
It means many things. But, to you as an insured person, probably the most important is the fact that hospital expense is no longer an obstacle when your doctor recommends hospital care for you or your dependants. This means greater peace of mind for all concerned.

## KEEP INSURED!

## HERE'S WHAT TO DO

## IF YOU CHANGE YOUR JOB...

Be sure to get your Certificate of Payment (Form 104) from the firm you are leaving. Follow the simple instructions on the back.

## IF YOU GET MARRIED...

Family Hospital Insurance premiums are required. Be sure you are both protected. Tell your employer or collector right away. If you pay direct... tell the Commission.

## IF YOU ARE NOW NINETEEN...

This means you are no longer insured under your parent's Hospital Insurance Certificate. When you become 19, separate premiums are required. Application forms are available at hospitals, most banks and any office of the Commission.

## IF YOU CHANGE ADDRESS...

If you pay through a group, no action is necessary. If you pay on a direct basis, tell the Commission immediately.

## IF YOU ARE NOT INSURED

## YOU ARE NOT ELIGIBLE FOR BENEFITS

Application forms are available at hospitals and most banks or any office of the Commission... Form having a 14 persons on the payroll may elect to form groups. Obtain details from the Commission.

## IF YOU GO TO HOSPITAL...

Make sure you take your Hospital Insurance Certificate or, at least, the Certificate number. To avoid confusion list the number down now, where it can easily be found when needed.

## IF YOU NEED EMERGENCY CARE...

Remember—Emergency Out-patient hospital care is insured only if received within 24 hours following an accident.

## AND REMEMBER...

Always pay premiums when due. Don't take chances. Prompt payment of Hospital Insurance premiums safeguards your future protection. It may be a blessing to you some day.

## READ YOUR HOSPITAL INSURANCE "GUIDE"

—an interesting little folder which gives you the answers. Copies are available from insured groups, all hospitals, most banks, or any office of the Commission.
